

Your Complete Source for Software Compatible Checks and Forms

FormSource

Welcome to FormSource, the most comprehensive source for your software compatible business documents. FormSource is easy to use and is always up-to-date with the most current selection of laser cut sheet and continuous software compatible business documents.

FormSource has an extensive library of pre-set software compatible formats. From payroll checks to invoices and statements, we've got your software compatible needs covered. To customize your documents, FormSource offers hundreds of design options for your specific needs.

Standard Options include choices of:

- 18 Standard Ink Colors- all other ink colors are available upon request
- 18 Check Backgrounds
- Standard and Up-grade Security Features
- 7 Check Borders
- 7 Check Warning Borders
- 9 Typestyles
- Custom and Stock Logo options

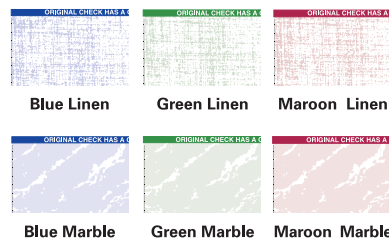

FormSource LIMITED

FormSource Limited is a quality alternative to crash imprinted documents. It is for cost-conscious customers who need short run quantities (between 250 - 5000). FormSource Limited offers fewer customizing options while providing a professional image and security features to deter fraud.

FormSource Limited features:

- Two Background Pattern Choices
- Three Base Colors Options
- Variable information printed in Black ink
- Seven Security Features
- Laser Cut Sheet and Continuous Formats
- Upgrade to Copy Alert Checks stock featuring ODT™ Void Pantograph Security paper
- Can be ordered non-imprinted, for companies who want standard security options and a professional image.
